“Education is essential to the vitality of European society and economy. The European Education Area aims to bring to the education and training communities the support they need to fulfil their fundamental mission, in challenging and exciting times.”

Ursula von der Leyen, President of the European Commission
The policy framework

EUROPEAN SKILLS AGENDA

Skills for jobs

The EU needs a skills revolution to ensure people can thrive in the green and digital transitions, and to help in the recovery from the coronavirus pandemic.

European Education Area
