

Joint ADB-KRIVET Webinar on Lessons Learned from Republic of Korea's TVET Policy

1. Background of Joint ADB-KRIVET Webinar

Asian Development Bank(ADB) has provided grants and loans for the social and economic development of its developing member countries in Asia and the Pacific. Developing member countries in Asia and the Pacific show the high interests for Korea's TVET policy and system. Through the Joint ADB-KRIVET webinar, ADB can share the lessons learned from Korea's TVET policy with its member countries.

2. Title: Lessons Learned from Republic of Korea's TVET Policy

3. Main Objectives

- To share the history of Korea's TVET policy and the system
- To introduce Korea's TVET policy and the system dealing with current and future issues such as the 4th industrial revolution and the COVID-19 pandemic.
